SUBMISSION PROCESS

The IOC has set up a new tool for items to be reviewed and offer assistance. The new Uniform Submission tool is now live on [RELAY](#), where uniforms can be submitted to the IOC for review.

If you are an NOC who does not have access to RELAY and needs access to submit the uniforms, please email nocnet@olympic.org

As in previous Games, while the process is not mandatory for this sport, it is still highly encouraged to submit uniform for review to minimise any possible Games-time issues. Once a submission has been made through the IOC's online submission tool, NOCs will be notified of the "reviewed" or "non-compliant" status of their submitted items.
